**Directions:**

- Score along the long edge at 1, 1.5, 2.5, and 3" from either side.
- Trim a sliver off of either short edge.
- Crease all as mountain folds toward the center.
- Fold on the second score line
- Add glue to the 1" section closest to the short edge of the cardstock about 1" in on each side.
- Fold on the score line closest to the center to attach glued section to card base.
- Repeat on both sides.
